Meeting has been set with PWS and Council staff in attendance to discuss through proposals.</p> <p><u>October, 2024 Update</u> - Two community meetings have been held with a number of items being discussed. No decisions as to what additional facilities have been decided upon at this stage.</p>

1.4. Work with community as to where a playground would best fit in Ansons Bay

**Community/  
Council**

Survey to be developed early 2024 – with a number of questions including street lighting, BBQ and the location of a potential playground.

October, 2024 Update - These issues have been listed for discussion with the Ansons Bay Community Group – no survey has been undertaken at this point.

1.5. Council to undertake a survey of residents/ratepayers to see whether there is a need for street lighting

**Community/  
Council**

Survey to be developed early 2024 – with a number of questions including street lighting, BBQ and the location of a potential playground.

October, 2024 Update - These issues have been listed for discussion with the Ansons Bay Community Group – no survey has been undertaken at this point.

1.6. Work with community to identify areas where public seating and a BBQ can be sited

**Community/  
Council**

We will arrange a meeting with community to see what areas they are looking at – Works Department will then arrange a meeting with TasNetworks for them to assess the viability and practicability of the areas identified.

October, 2024 Update - The proposal for further additional public facilities was explored in consultation with the Ansons Bay Progress Committee who confirmed the lack of support for a public BBQ on currently owned Council land. No other potential sites have been identified we will revisit this with the new committee.

**Walking Trails:**

2.1. PWS, community and Council to work in collaboration to identify/design walking trails and seek external funding to construct same

**Community/  
Council/PWS**

A meeting has been arranged with PWS staff and Ansons Bay Community to further discuss these requests

October, 2024 Update - This issue has been listed for discussion with the Ansons Bay Community Group with input from PWS. The Ansons Bay Community Group are working with PWS in relation to identifying some walkways/trails that are accessible for everyone to use.

**Environmental issues:**

3.1. Work with land owners to address the issue of thistles and weed management

**Community/  
Council/PWS**

A meeting has been arranged with PWS staff and Ansons Bay Community to further discuss these requests

October, 2024 Update - Ansons Bay Community Group are working with PWS to undertake volunteer work – working under the PWS banner and supervision

**Community issues:**

4.1. Work with community members to re-form the Ansons Bay Progress Association as a communication tool to engage with Council

**Community/ Council**

The community have reformed the Ansons Bay Progress Association and are again holding community meetings between Council and the Ansons Bay Community Group (renamed)

4.2. Advise PWS/TFS of community’s concern and ask that they work to develop an emergency access point from Shark Bay to Main Beach

**Community/PWS/  
Council/TFS**

A meeting has been arranged with PWS staff and Ansons Bay Community to further discuss these requests

October, 2024 Update - Two community meetings have been held with a number of items being discussed. No decisions on this item at this stage.

4.3. Council to develop an emergency event email contact database to ensure the community of Ansons Bay are aware of any events that may impact them

**Council**

The email contact list has been developed and has been used on a number of occasions advising of events which may impact on road infrastructure

Community and Council arrange for a Strategic Planning session to be held with Ansons Bay community to discuss the following:

- Boat ramps need upgrading
- Camp sites – services
- Car parking – associated with boat ramps – existing and proposed

**Community/PWS/  
Council**

A meeting has been arranged with PWS staff and Ansons Bay Community to further discuss these requests

October, 2024 Update - Two community meetings have been held with a number of items being discussed. These items have been raised and require further discussion as they include land tenure etc.

- Helicopter landing – boat ramp  
– ramp for accessibility -  
accessibility to water in  
emergency situations
- Boat ramp as an evacuation  
point – if trailers there – access  
is very difficult
